

CROMWELL Coba. 0.9m x 18m Anti-Fatigue Matting Charcoal

Cod comanda: CBA9461000A

Descriere produs:

The Orthomat(R) Precut Standard Matting is engineered to reduce operator fatigue and insulate against cold floors. Made from 100% closed-cell vinyl foam, it provides comfort and durability in high-use areas. Its slip-resistant pebble surface is easy to clean and meets safety standards for fire and slip resistance. Features and Benefits

- o 9mm thick closed-cell vinyl foam reduces fatigue
- o Insulates against cold floors for added comfort
- o Slip-resistant (EN 13552 R10) and fire-tested (DIN 54332 B2)
- o Easy-to-clean pebble surface
