

## **CROMWELL Halo. Hi-Vis Rip-Stop Bomber Jacket, Large, Yellow, Polyester, EN20471**

**Cod comanda:** **HAL9627402B**

### **Descriere produs:**

These 2 Band & Brace Hi-Vis Rip-Stop Bomber Jackets from the Halo(R) PPE range have been designed with comfort and performance in mind. Halo(R) products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo(R) you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo(R) packaging to reduce our impact on landfill and on the environment. Manufactured from Ripstop reinforced polyester fabric, the hi-vis bomber jacket from Halo(R) is a practical choice for safety wear. Extremely durable, Ripstop fabric will rarely form a tear, and if it does; that tear won't spread and ruin the jacket. Ideal for low-light applications, this hi-vis bomber protects its wearer against poor weather, keeping them warm and dry. Features and Benefits o Elasticated waistband and cuffs keep out the cold and add comfort o Manufactured from Ripstop reinforced polyester for resilience and longevity o 2 Band & Brace reflective tape design for maximum visibility in low light working conditions o Full-length zipper closure with storm flap and press studs for maximum water protection o Internal zip allows for branding and personalisation if required o Hook and loop adjuster at the cuffs for wearer customisation o An internal phone pocket and two front pockets with flaps provide ample storage for personal effects o Available in yellow or orange to suit your needs Standards o Halo(R) products are BSI tested o CE Certified o EN ISO 20471:2013 + A1:2016 Class 3 o EN 343:2003 3:1 o RIS-3279-Tom (Orange only) Notes o Keep the coat clean to ensure maximum visibility o For full visibility, keep your coat buttoned at all times
