Descriere produs:

These Microporous Overboots from the Halo(R) PPE range have been designed with comfort and performance in mind. Halo(R) products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo(R) you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo(R) packaging to reduce our impact on landfill and on the environment. The microporous white overboots from the Halo(R) safety range are made from a strong and breathable material used to provide additional protection from splash risks. An ideal addition to our Type 5/6 coveralls, these durable overboots tie around the lower leg for customised fitting.
