

CROMWELL Halo. Microporous Sleeves, White, Elasticated Cuff, One Size, Pack of 100

Cod comanda: **HAL9629901L**

Descriere produs:

These Microporous Sleeves from the Halo(R) PPE range have been designed with comfort and performance in mind. Halo(R) products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo(R) you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo(R) packaging to reduce our impact on landfill and on the environment. The microporous sleeves from the Halo(R) safety range are designed to provide additional protection against splash risks and airborne particulate. Reliably strong and breathable, they make a handy addition to other PPE workwear. Features and Benefits

- o Microporous material ensures a comfortable wear
- o Low-linting microporous material is breathable
- o Elasticated at the wrist to protect against the ingress of contaminants and to ensure a secure fit
- o One-size-fits-all for a user-friendly product
- o Low-linting microporous material makes the product suitable for use in clean room environments
- o Sold in convenient bulk packs of one-hundred sleeves

Standards

- o Halo(R) products are batch tested
- o EN ISO 13688:2013
