Cod comanda: **HAL9638429K**

Descriere produs:

These TMF Metal Free Safety Trainers from the Halo(R) PPE range have been designed with comfort and performance in mind. Halo(R) products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo(R) you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo(R) packaging to reduce our impact on landfill and on the environment. These comfortable yet robust metal-free safety trainers are designed for all-day wear. The composite toe cap and midsole protect the feet against impact and piercing injuries, while the cleated out sole and energy-absorbing heel prevent fatigue in both the feet and joints whilst keeping you safe. Features and Benefits o EVA cushioned footbed displaces impact pressure to reduce fatigue and increase comfort o Manufactured from resilient materials for product longevity o Composite toecap provides up to 200J of impact protection o Water-resistant leather upper protects in all weathers o Soft polyurethane sole provides slip-resistance and comfort o Kevlar(R) midsole prevents penetration injuries o Cleated outsole provides increased midsole protection o Metal-free construction for a lightweight and warmer safety trainer o Unisex design for inclusive wear for everyone o Available in varying sizes to suit your needs o Supplied with a spare pair of laces for convenience Standards o Halo(R) products are BSI tested o EN ISO 20345 S3 SRC
