Cod comanda: HAL9631074S

Descriere produs:

These Metatarsal Protection Safety Boots from the Halo(R) PPE range have been designed with comfort and performance in mind. Halo(R) products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo(R) you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo(R) packaging to reduce our impact on landfill and on the environment. These lightweight, flexible safety boots have Poron XRD(R) internal metatarsal protection and retain excellent comfort due to a padded mesh collar and tongue. They are tough, oil-resistant and feature anti-static properties to keep you safe in a range of workplace settings. Features and Benefits o Enhanced wearer comfort due to padded mesh collar and tongue, as well as an energy-absorbing heel and removable EVA comfort footbed o Manufactured from resilient materials for product longevity o Steel toe cap protects the wearer from impact injuries up to 200J o Black cow action leather upper repels water and stops feet from getting wet o Dual-density polyurethane sole is oil, grease and water resistant for resilience o Steel midsole for bolstered protection of the feet o Oil-resistant outsole and anti-static properties o Unisex design for inclusive wear for everyone o Available in varying sizes to suit your needs o Supplied with a spare pair of laces for convenience Standards o Halo(R) products are BSI tested o EN ISO 20345:2011 S3 M SRC Notes o Shoe weights are based on an individual UK Size 9
