Descriere produs:

These Metatarsal Safety Trainers from the Halo(R) PPE range have been designed with comfort and performance in mind. Halo(R) products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo(R) you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo(R) packaging to reduce our impact on landfill and on the environment. These unique metatarsal safety trainers offer excellent impact protection and all-day comfort. Fortified with Poron XRD(R) technology, a steel toe cap and a composite midsole, these safety trainers deliver effective protection against impact and perforation injuries for a wide range of workplace settings.
