Cod comanda: HAL9638103K

Descriere produs:

These Composite Safety Trainers from the Halo(R) PPE range have been designed with comfort and performance in mind. Halo(R) products are manufactured to suit a diverse workforce and ensure everyone is protected. By choosing Halo(R) you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo(R) packaging to reduce our impact on landfill and on the environment. These black safety trainers offer excellent impact protection and comfort even with extended all-day wear. Boasting a steel toe cap and midsole, a breathable and hardy upper, and a full-length EVA footbed, these safety trainers deliver effective protection against impact and perforation injuries for a wide range of workplace settings. Features and Benefits o EVA full-length footbed for maximum comfort even with extended wear o Manufactured from resilient materials for product longevity o Steel toe cap provides protection up to 200J to avoid impact and crushing injuries o Breathable suede leather upper keeps feet cool and comfortable o Polyurethane sole absorbs impact to protect the joints from discomfort and injury o Composite midsole prevents puncture injuries o Unisex design for inclusive wear for everyone o Available in varying sizes to suit your needs o Supplied with a spare pair of laces for convenience Standards o Halo(R) products are BSI tested o EN ISO 20345:2011 S1P SRC
