

CROMWELL Indexa. PCLNR 2525M09, Toolholder, External, Lever Lock

Cod comanda: **IND1062020K**

Descriere produs:

Transform your machining operations with the Indexa(R) Lever Lock Type Tool Holder, purpose-built for precision and reliability. Boasting a 95-degree approach angle and compatibility with negative 80-degree rhombic inserts, this tool holder excels in a range of applications. Features and Benefits o Easy coolant hose connection for versatile use with various machines o Secure lever lock mechanism ensures stability during high-speed machining o Integrated channels facilitate efficient high-pressure coolant flow, optimising chip control and heat dissipation Typical Applications o Aerospace o Automotive o General manufacturing applications
