

CROMWELL PCL. AA11CF MINI ADAPTOR FEMALE THREAD G1/4

Cod comanda: **PCL2590944D**

Descriere produs:

For use in light engineering environments, this range of small-bore adaptors has proved popular in the robotics, medical, instrumentation and automation industries. Features -Manufactured in brass with chrome plate finish -Corrosive resistant finish -Nominal bore: 5.0 mm -Temperature range: -20°C to 80°C - Maximum working pressure: 35 bar / 508 ps
