

CROMWELL Tuffsafe. Men's Composite Safety Boots, Size 10, Black, Leather Upper, Kevlar(R) Toe Cap, S3, EN ISO 20345:2011

Cod comanda: **TFF9630910H**

Descriere produs:

200 Joules impact protection. Guards against falling objects and collisions and prevents sharp object penetration. Ideally suited to building sites and where metal swarf is present on floors. Non-metallic protection Kevlar composite toe cap and sole plate. For working in areas where security screening is a necessity. Normally allows walking on hot surfaces up to 300°C. Dual density polyurethane/rubber soles for extra comfort. The sole features a nitrile rubber outsole, resistant to heat to 300°C and a low density polyurethane interlayer, for increased comfort and shock absorption. Water penetration and absorption resistant. Helps keep feet dry in wet conditions. S3 classified. Manufactured to EN ISO 20345:2011.
