

CROMWELL Tuffsafe. Men's Metal Safety Boots, Size 12, Black, Leather Upper, Steel Toe Cap, EN ISO 20345:2011

Cod comanda: **TFF9630812K**

Descriere produs:

Energy absorbing heel. 200 Joules steel toe cap impact protection. Guards against falling objects and collisions. Steel midsole to prevent sharp object penetration. Ideally suited to building sites and where metal swarf is present on floors. Resists the build-up and conductance of static electricity. Of most benefit when walking on synthetic carpets or near electrical machinery. Dual density polyurethane/rubber soles for extra comfort. The sole features a nitrile rubber outsole, resistant to heat to 300° and a low density polyurethane interlayer, for increased comfort and shock absorption. Water penetration and absorption resistant. Helps keep feet dry in wet conditions. S3 classified. Manufactured to EN ISO 20345:2011.
